

RELIEF FOR MAUI

A week ago the town of Lahina in Maui was destroyed by fire. As I write this letter, the death toll is 99 with many still missing. No one knows what the final count will be. It could become the largest disaster in our United States.

May God be with the people of Lahina and give them strength for the future.

If you wish to make a donation to the Lahina Relief Fund, send your checks or cash to the church, and our Treasurer Jack Shepard will send it on to Conference.

Please be sure to list Lahina Relief Fund on your checks.

Yours,

Joyce Hall, Missions
