

LENT BIBLE STUDY 2024

With Pastor Lui

Starting February 15, 2024

Did you know that John...

- is the **most popular** gospel?
- contains the **most quoted** Bible verse?
- is the **latest** and **most Greco-Roman** of the four gospels?

Learn the history, culture, and meaning of the Fourth Gospel, considered by many to be the most “spiritual” one, and discover the many reasons setting John apart from the synoptic gospels (Matthew, Mark, Luke) and making it the most read account of the teachings and ministry of Jesus. Come and be inspired by the *Word that became flesh*.
