

Dear Rev. Lui Tran,

Greetings from Cambodia!

I hope this letter finds you in good health and high spirits. I am writing this email because I wanted to let you know first before I send out an official letter to all mission partners next week. By end of June, I'm finishing my role as the Cambodia mission country coordinator and will be transitioning to a new role at California-Pacific Annual Conference.

It's been blessed 7 years since my family and I moved to this country. By God's grace and your unwavering support during my mission in Cambodia, we together have done various mission works such as Susanna Wesley ministry for young women, Street Children ministry for underprivileged children, CHAD program to reach out non-believers, and much more. My colleague missionary, Helen Camarce, will be stepping into the role to carry on the mission tasks. In a separate letter next week, I'll introduce more about her and her God-given talents to all.

Rev. Tran, THANK YOU! Thanks so much for the ongoing support of Garden Grove UMC. Because of your support, we have been able to help local Methodists establish their own denomination (MCC) as well as provide quality education opportunities to Cambodian friends in need. Also, THANKS for your prayers for me all times. Because of that, I have been able to sustain myself in good spirit and serve God's people in faith for those years.

From July, I'll be serving The Korean United Methodist Church of San Diego (KUMCSD). This church has been diligently supporting young women in scholarship program in Cambodia. So, I believe I'll be connected to Cambodia mission in a different sense and a different degree. Please continue to pray for me and my family as we make this transition.

Once again, I thank God for you and Garden Grove UMC being with me, participating in God's mission in Cambodia. May God bless you and the church abundantly with His love and peace.

In Christ our Lord,
Andrew
